# OFFSET

After years caring for her dying mother, a grieving woman tags along with a fling and his wealthy friends to a five-day retreat, hoping to finally put herself out there and live. The retreat is built around a device that grants shared access to each guest's deepest fantasy, until she turns it, one twist at a time, into an instrument of reckoning.

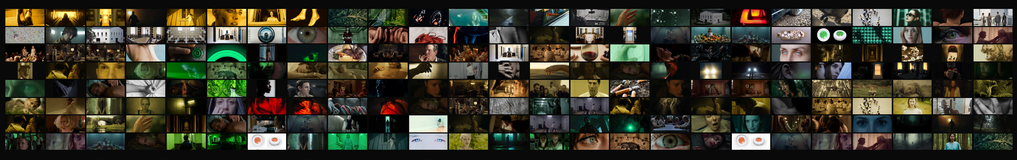
## The film in frames

Every shot in order, start to finish. The coloured edge on each panel marks its world.



Eve nightmare · Reality · Fantasy · Memory: grey · Memory: good times · Memory: walk to the cinema · Night · Party · The hunt · Device / infinity · Dawn

## Visual rules

From the Director's Statement, Deck V5 and the Miro board.

**REALITY**
Black-and-white Ungers architecture. Centred, symmetrical, locked-off wides. The house dominates the frame.

**NEON GREEN**
The only saturated colour in the real world: device rings, cameras, bottled water, the outhouse door. Under for longer, the rings drift to yellow, then red.

**FANTASY**
Warm, syrupy yellow light, slowed time, a floating camera. Each guest's desire gets its own world.

**MEMORY**
Mother's flat, handheld and close. Greyish for the hard years, growing harsher as the fantasies grow vivid. White and bright when she reflects on the good times. Warm yellow for the walk to the cinema.

**PROGRESSION**
Controlled and objective in Act One, subjective and immersive by Act Three. Rooms feel smaller. The feast rots.

**SOUND**
TWIST then CLICK marks every passage under, louder each time. Rooms go quiet; breath gets heavier.

## The device

A neural implant on trial. Anchored at the base of the skull where the spine meets the brainstem, a slender surgical spike reaches the cortex. It does not just read signals; it rewrites them. To the user the fantasy is indistinguishable from reality.

| | |
|---|---|
| SIZE | About 1 inch across, raised about 0.4 from the skin |
| FORM | Circular, white, smooth; slightly convex, like a magnifying glass |
| OPERATE | Twist the dial once per hour, then push the middle |
| OUTER RING | Green when the device is on |
| INNER RING | Green when connected to a subject |
| TIME UNDER | The longer in the fantasy, the further it glows toward red |
