OFFSET

After years caring for her dying mother, a grieving woman tags along with a fling and his wealthy friends to a five-day retreat, hoping to finally put herself out there and live. The retreat is built around a device that grants shared access to each guest's deepest fantasy, until she turns it, one twist at a time, into an instrument of reckoning.

Visual rules

From the Director's Statement, Deck V5 and the Miro board.

REALITY
Black-and-white Ungers architecture. Centred, symmetrical, locked-off wides. The house dominates the frame.

NEON GREEN
The only saturated colour in the real world: device rings, cameras, bottled water, the outhouse door. Under for longer, the rings drift to yellow, then red.

FANTASY
Warm, syrupy yellow light, slowed time, a floating camera. Each guest's desire gets its own world.

MEMORY
Mother's flat, handheld and close. Greyish for the hard years, growing harsher as the fantasies grow vivid. White and bright when she reflects on the good times. Warm yellow for the walk to the cinema.

PROGRESSION
Controlled and objective in Act One, subjective and immersive by Act Three. Rooms feel smaller. The feast rots.

SOUND
TWIST then CLICK marks every passage under, louder each time. Rooms go quiet; breath gets heavier.

Cast

Character portraits from Deck V5.

Eleanora

Spanish. Cared for her mother through a long illness; now grieving, and putting herself out there to experience life.

Desire: Pain-free time with her mother, well again.

Ezra

Eleanora's fling. An actor, charming in public, corrosive in private.

Desire: Continuous admiration.

Cali

Lifelong eating disorder, masked by a free-spirit act.

Desire: Unlimited chocolate cake and a mirror that never changes.

Cai

Countercultural, escapist, quick to close ranks.

Desire: Undefined. Escape.

Jacqueline

Multilingual, razor-sharp, performing 'dumb' for Jasper.

Desire: A family, including pregnancy.

Jasper

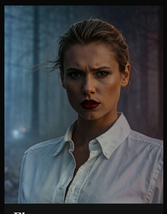
Generational wealth, charm over manipulation.

Desire: Psychological and sexual dominance.

Charlie

The showman who built the house and the device.

Desire: Redemption through creation.



Flo

Danish socialite ruled by order and correction.

Desire: An endless cycle of restoring order.

Frans

Danish entrepreneur. Hunter. Knew about Eve.

Desire: Human hunting with full agency.

The device

A neural implant on trial. Anchored at the base of the skull where the spine meets the brainstem, a slender surgical spike reaches the cortex. It does not just read signals; it rewrites them. To the user the fantasy is indistinguishable from reality.

SIZE	About 1 inch across, raised about 0.4 from the skin
FORM	Circular, white, smooth; slightly convex, like a magnifying glass
OPERATE	Twist the dial once per hour, then push the middle
OUTER RING	Green when the device is on
INNER RING	Green when connected to a subject
TIME UNDER	The longer in the fantasy, the further it glows toward red

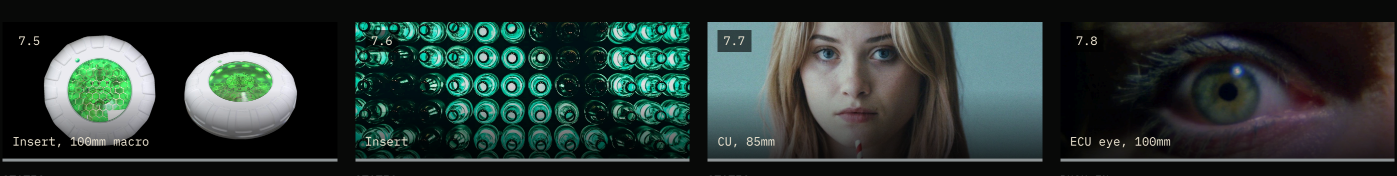
CHARLIE We came - We've come, together. That's seven. We're missing one. No one likes an odd number. Ezra is it? CALI Later.



STATIC
Coco passes Charlie one of the black boxes. He opens it carefully to reveal the device.
CHARLIE Let's get on, shall we.

STATIC
Insert: the water. Everyone apart from Eleanora pauses in their actions and looks straight towards Charlie.

10 INT. DINING ROOM – DAY (THE FAST)

The devices are attached, outer rings glowing green, inner rings grey. The group keeps eating while agreeing food is bad for you. Eleanora's 'patent it' joke about starving kids lands badly; Frans reveals Ezra paid for her. 'Who goes first?'

-

STATIC
Cali picks and chops and adds food to her plate but very clearly isn't eating anything. A routine she has done many times. INTERCUT with CLOSE on chewing.
CALI 'The future is fasting' I hear. FLO Removes cancer. CALI Should go for as long as you can.

SLOW LATERAL DOLLY
The group unanimously agree food isn't good for you, but continue eating. Eleanora's joke lands; the group goes quiet. Cai breaks the silence and bursts out laughing.
ELEANORA They should patent it. Starving kids, no? Prolonged fasting... What would you call the company? CAI I like her... A little off. But that is funny dennoch. JACQUELINE Schlechter Geschmack.

STATIC
Frans eats with his fingers, eyes on Eleanora. Eleanora winces.
FRANS He paid for you right? You wouldn't be speaking like that if you paid for this yourself. ELEANORA You know that? FRANS I know that. ELEANORA OK. He did.

STATIC
Before anyone can reply.
ELEANORA Even, still. Who goes first?

11 INT. LIVING ROOM – DAY (FIRST ACTIVATION)

Cali twists once, mouths 'I love you' to Cai and presses; she passes out. A row of twists, a row of clicks: one by one they follow. Eleanora mimes passing out, then twists, hand shaking, and presses. Her eyes roll back.

The room is still, apart from the breathing which has become heavier.

STATIC
Varyingly filled wine glasses cover the table.

STATIC
Cali raises her hand to the device on her neck. She twists the device clockwise until she hears the one click. Her fingers linger; Cai gives her a look of support.

STATIC
She presses the button. Instantly, her device emits a green glow in the inner circle. Immediately, Cali passes out backwards onto the sofa in an eerie way. All eyes on her.
