OFFSET

After years caring for her dying mother, a grieving woman tags along with a fling and his wealthy friends to a five-day retreat, hoping to finally put herself out there and live. The retreat is built around a device that grants shared access to each guest's deepest fantasy, until she turns it, one twist at a time, into an instrument of reckoning.

Visual rules

From the Director's Statement, Deck V5 and the Miro board.

REALITY
Black-and-white Ungers architecture. Centred, symmetrical, locked-off wides. The house dominates the frame.

NEON GREEN
The only saturated colour in the real world: device rings, cameras, bottled water, the outhouse door. Under for longer, the rings drift to yellow, then red.

FANTASY
Warm, syrupy yellow light, slowed time, a floating camera. Each guest's desire gets its own world.

MEMORY
Mother's flat, handheld and close. Greyish for the hard years, growing harsher as the fantasies grow vivid. White and bright when she reflects on the good times. Warm yellow for the walk to the cinema.

PROGRESSION
Controlled and objective in Act One, subjective and immersive by Act Three. Rooms feel smaller. The feast rots.

SOUND
TWIST then CLICK marks every passage under, louder each time. Rooms go quiet; breath gets heavier.

Cast

Character portraits from Deck V5.

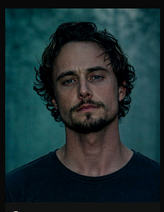
Eleanora
Spanish. Cared for her mother through a long illness; now grieving, and putting herself out there to experience life.
Desire: Pain-free time with her mother, well again.

Ezra
Eleanora's fling. An actor, charming in public, corrosive in private.
Desire: Continuous admiration.

Cali
Lifelong eating disorder, masked by a free-spirit act.
Desire: Unlimited chocolate cake and a mirror that never changes.

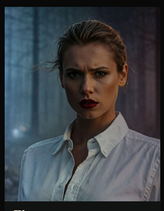
Cai
Countercultural, escapist, quick to close ranks.
Desire: Undefined. Escape.

Jacqueline
Multilingual, razor-sharp, performing 'dumb' for Jasper.
Desire: A family, including pregnancy.



Jasper
Generational wealth, charm over manipulation.
Desire: Psychological and sexual dominance.

Charlie
The showman who built the house and the device.
Desire: Redemption through creation.



Flo
Danish socialite ruled by order and correction.
Desire: An endless cycle of restoring order.

Frans
Danish entrepreneur. Hunter. Knew about Eve.
Desire: Human hunting with full agency.

The device

A neural implant on trial. Anchored at the base of the skull where the spine meets the brainstem, a slender surgical spike reaches the cortex. It does not just read signals; it rewrites them. To the user the fantasy is indistinguishable from reality.

SIZE	About 1 inch across, raised about 0.4 from the skin
FORM	Circular, white, smooth; slightly convex, like a magnifying glass
OPERATE	Twist the dial once per hour, then push the middle
OUTER RING	Green when the device is on
INNER RING	Green when connected to a subject
TIME UNDER	The longer in the fantasy, the further it glows toward red

01 BLACK / INT. EVE'S FANTASY - STABWELL - NIGHT

BLACK. A woman spirits up a diamond in slow motion within Mother and Eleanora's voices tell her this is not real. At the top, the open balcony beckons with warm yellow light. She jumps at it with all her might.

MOTHER (V.O.) Where are, Eleanora. Mark out. Eleanora.

A WOMAN spirits up the stairwell in slow motion, *ELEANORA (V.O.) Eleanora, Eleanora. Eola no es real.*

MOTHER (V.O.) This is not real.

She halts at the top of the stairs, frozen in place. Her eyes dart back to where she came from. Her footprints are already gone. The wind moves through their faint, dark doorway below.

ELEANORA (V.O.) Los real? This was tangly our material. Si, si. Y ella aparece por mala arte... Pero porque no hablar mi idioma.

She jumps at it with all her might.

JUMP (EST 5S)

She sighs, then looks up.

ELEANORA (V.O.) Por mucho que intentes aprenderlo, nunca lo conseguirás.

She looks at the top of the open balcony. She exhales shakily. Tear grips her.

ELEANORA (V.O.) Tal vez hasta lo hagas.

The opening, lit with warm yellow light, beckoning her in.

ELEANORA (V.O.) Pero siempre. Forever.

She jumps at it with all her might.
